

Building materials supplier register

Following the government’s announcement that building materials suppliers may remain open NHS LPP Estates, Facilities and Professional Services team are compiling a list of supplier operating policies. This list is not exhaustive and will be updated as we hear more from suppliers.

Supplier	Current position	Last update
Howdens	Manufacturing and distribution operations are closed, but its warehouse is operating with a reduced workforce to receive old orders placed with its supply chain.	26/03/2020
Jewson	Branches are closed, but they are running a limited delivery service to supply trade customers.	26/03/2020
Screwfix	Remains open for trade customers who can purchase online and then pick up items from special “drop zones” outside of stores.	26/03/2020
Selco	Will shut for the next three weeks and the company will not provide a delivery service. Customers with orders outstanding are being offered refunds.	26/03/2020
Travis Perkins	Outlets are closed, but it can make deliveries to specific trust sites for emergency repair work.	26/03/2020
